REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The amendments to the claims do not materially change the scope of the previously allowed claims, therefore they are allowed as in the previous Notice of Allowance. Specifically, the claims were allowed because of the use of anodization current in determining the anodization endpoint.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
